

Commission Paintings 2023

I'm delighted that you are considering a unique commissioned painting. Each commission is created with your own ideas in mind. Whether this is a piece to suit your decor, a gift for someone special or a landscape that holds memories for you. I look forward to working together to form ideas and create a piece that is unique to you!

Commission Pricing & Information

All paintings are created with the highest quality acrylic paints and tools on premium quality canvas. Each painting is unique and created in my own individual style with the subject being influenced by the client. Prior to beginning a commissioned painting, the client may suggest ideas for a colour palette and any significant subjects they would like included. This must be confirmed before or at the very early stages of the painting process.

Please allow 4-12 weeks for painting (depending on size & detail).

For framing allow an extra 2-3 weeks additional time.

Postage and packaging will be calculated depending on location. Please be advised that for shipping the preferred option is to ship paintings unframed, then the customer may arrange framing themselves at their preferred local supplier.

I cannot be held responsible for damages during shipping this is to be taken up with the courier which I can assist with if any damage occurs.

Surface

Stretched Canvas - can hang alone or with frame.

Canvas paintings are presented on a canvas fabric stretched over wooden bars. These can look great unframed, whilst a frame can also enhance the painting and add to your decor, whilst also protecting it.

Painting prices include cost of materials (paints, brushes etc), the canvas, hanging string/screws, skill and time.

Each painting is created with the highest quality acrylic paints. Mixed media is sometimes added to finish the painting eg. soft pastels, pencils and paint pens.

If you would like a larger size than those stated this may be discussed.

If you have any queries regarding canvas sizes or pricing please get in touch - contact details below.
